MOTION:	To Elect Nicky6 A. as Assistant Secretary to the South Florida Regional Service Committee for the 2024-2025 service term.		
INTENT:	To fill the position of the outgoing SFRNA RSC Assistant Secretary as per Policy		
DISCUSSION/NOTES	<p>Greetings South Florida Regional Family,</p> <p>Thank you for taking this opportunity to consider my Nomination for the position of Assistant Secretary to the South Florida Regional Service Committee. I am humbled by the Nomination and grateful for all of the support that I have received from the community, and their belief in my ability to bring my experience and skill set to the table.</p>		

	<p>My name is Nicky6 A. and I am an addict. On September 14, 2021, I chose to stop feeling sick and tired, of feeling and being sick and tired. I had the willingness to get clean; I just couldn't seem to find my footing, and not for a lack of trying. I am forever grateful to the kind woman who reminded me that help was there, and that I could go to those meetings to which I was too scared and embarrassed to return. I made a decision to surrender to the processes of getting my life back in the rooms of Narcotics Anonymous and not die as a hopelessly embarrassed, societally-disgraced, alcohol-addicted, life-worn junkie in the bonus room above my garage in an HOA neighborhood. Addiction isn't picky. If it wasn't me this time, the numbers show that it will be someone else.</p> <p>To be of service to others was something I was raised to do, and continues to be an integral part of my personal recovery. To have the opportunity to be one of the many it takes to support our organization is the most humble and gracious way I can give back to this community. Since becoming a member of the Gold Coast Area of Narcotics Anonymous in 2021, I have been of service to our community in the following capacities:</p> <ul style="list-style-type: none"> ● Gold Coast Area Service Committee - Secretary; September 2023 - Present ● Gold Coast Area Hospitals and Institutions Subcommittee - Secretary; September 2023 - Present ● Gold Coast Area Hospitals and Institutions -Presentation Commitment Co-Chair: September 2022 - Present ● Gold Coast Area Public Relations Subcommittee - Secretary; May 2023 - Present ● Gold Coast Area Public Relations Subcommittee - Helpline Volunteer; June 2023 - Present ● Gold Coast Area Policy Subcommittee; January 2023 - Present ● Group Service Representative to the Gold Coast Area Service Committee - September 2022 - September 2023 ● Intra - Home Group Service Commitments - Meeting Chair/Secretaries Report and Keytags/Greeter; June 2022 - Present ● Participation in the Locally Developed Literature Program - Contributor to the "Gold Coast GSR Survival Guide", a "living-document" resource available to all Gold Coast Group Service Representatives and the recovery community at large. <p>I have a working knowledge of the 12-Steps and 12-Traditions, and I am familiar with the intent and meaning of the 12-Concepts. At present, I am working toward developing a mutually trusting and respectful relationship with a potential new Sponsor, and have an incredibly diverse support structure in the community. I respect my recovery and that of the others in the recovery community as a whole.</p> <p>Thank you for your kind patience, and consideration in the matter of my Nomination for the position of Assistant Secretary to the South Florida Regional Service Committee. Thank you for your Service.</p> <p>Respectfully and In Loving Service, Nicky6 A.</p>

10. RCM REPORT

Good morning Gold Coast Area,

The south florida region met last month in person in Miami. As reported to this committee several times there have been difficulties with the south florida region convention committee. To their credit they have persevered thus far in coordinating this year's convention , while under intense scrutiny over prior years conventions financials. While many persons chose the path of addressing these matters openly at the RSC and trying to remedy the situation with various inquiries and motions, it turns out that 1 member of the region's service structure was blatantly harassing several of the committee members in private communications. Three members of the RSC resigned their positions citing they could no longer tolerate the harassment. Fortunately, for the RSC the Admin member that was engaging in the harassment saw fit to resign his position before a vote could be taken to remove him from his service. One of the resignations was rescinded and we are awaiting word on the other two members decisions. In short, it was a very difficult and contentious meeting. Nevertheless business was able to be conducted and rather smoothly after the resignation of the Admin member who was harassing others.

For two straight months, I've tried to inform this committee of the difficulties with SFRCNA. Motions that may have been helpful to, at the very least insure the integrity of future regional conventions were met with resistance from our own admin committee. Last month was especially disheartening. Several of the motions regarding SFRCNA were called out of order, and the input of our own policy chair was ignored, leading to the full body of the motions not being able to be presented at the RSC. Indifference and clock watching are unacceptable reasons to avoid fulfilling our obligations as a service committee, and with all due respect, our leadership failed us last month on both these points. The coming year is going to be very difficult at the region. As is often the case , there are two few people doing too much. Restructuring the convention committee alone is going to be an arduous task, not to mention other challenges as well. I genuinely hope Angel A's service this coming year is met with the respect and attention it requires and he deserves. Moving on, my service to this committee is nearing its end.

At the last RSC I agreed to accept the nomination for regional treasurer.

The members of the RSC are aware that I will only be able to fulfill this commitment remotely and they seemed to unanimously agree that this caveat was acceptable. The motion for this and other nominations as well are in this month's regional minutes.

I would now like to be able to present this month motions, and answer any questions comments or concerns.
As always , thank you for allowing me to serve.
Adam E.

- **PUBLIC RELATIONS SUBCOMMITTEE REPORT**

Hello everyone from the Gold Coast Area Public Relations Subcommittee, I am an addict named Rocky. We are always seeking new members, and anyone is always welcome to come sit in and be a part of our amazing group of trusted servants. You do not have to hold a position to join us to see how the public relations committee functions, all are welcome to log on. Dates and online links are always listed at the end of our monthly report as well as the Gold Coast Area website. Hope to see you all there.

What’s new at PR in the Gold Coast Area?.

- The money we collected from the PM Pancakes for Public Relations event in September of 2023 totalled to the amount of \$1,415 which will be matched by the South Florida Region of NA. The total amount after matched by Region will be \$2,830 and it will be used for Ad Space for our helpline information for our area. We have voted as a committee to use the money raised and the money matched by region to purchase ad space on local bus benches. The ad agency will be setting up the contract for us this week, we also will be able to track how many calls we get from this ad campaign.
- We have created an AD HOC committee called “Read to Recover” responsible for researching ways we can get NA literature donated to local libraries in our area.
- The group has elected Karyl K for Vice-Chair of the PR subcommittee
- The group elected Bill P as secretary for PR subcommittee

MOTION:	<p>To AMEND existing Gold Coast ASC Policy, under ASC-4(1) at lines 18-24, and currently reading:</p> <p>“In order to provide these services, an ASC needs the active participation of it’s GSR’s. A group supports its Area Service Committee both financially and emotionally. It takes money to provide these services. It is a group’s responsibility to offer this support. However, as an Area grows, the financial needs of the committee also grow. In order to provide a full line of services it requires a steady, reliable flow of money. Some areas provide these funds through activities. These alternate sources of financial support are helpful but the bulk of the responsibility still falls on the members of a group.”</p> <p>To read as follows:</p> <p>“Representatives (GSRs) is highly valued. GSRs represent their local groups at the ASC level, fostering effective communication and collaboration. Regarding financial needs, as an ASC grows, its funding requirements also increase. Reliable financial support is necessary to provide a full range of services. While alternate sources (such as activities) can contribute, groups play an important role in funding the ASC. A steady and reliable flow of funds ensures that the ASC can continue its vital work. Groups play a significant role in providing this support, and their contributions directly impact the services offered by the committee.”</p>
